## EXPERIENCE

### Disco Supermarket

December 2022 - February 2023

As a cashier, I provided customer support, managed transactions, and resolved issues promptly.

## EDUCATION

### Holberton School - Zonamerica

November 2023 | Software Development

During my experience at Holberton School, I developed the ability to **learn how to learn, adapting to various paces**, and undertaking projects that **demands technical and communication skills in a simulated work environment**.

## PROJECTS

### Ideas en el Aire | Frontend & UX/UI

Argentine radio site with content management.

### PasturApp | Frontend & DevOps

Self-management app for dairy producers.
